

## REGISTRATION FOR THE N-PRIZE

I hereby register the team named below, including myself (collectively, "the Team") for the N-Prize. I agree to be the primary point of contact between the Team and the N-Prize Organizers ("the Organizers").

I have read the full N-Prize rules available at the N-Prize website ([www.n-prize.com](http://www.n-prize.com)). I am aware that these rules are subject to change, and will check for updates to the rules at least once every seven days. I understand that registration is solely for the purpose of informing the Organizers of the Team's intention to compete, and does not constitute a contract.

I understand that registration does not place the Team or any of its members under any obligation to the Organizers, and that the Team may withdraw from the N-Prize at any time.

I understand that registration does not place the Organizers under any obligation to the Team. I understand also that any actions undertaken by the Team or its members in connection with the pursuit of the N-Prize are entirely the Team's responsibility, and that the Organizers are not responsible for any injury, accident, expense or other untoward consequences arising from such actions. I understand further that acceptance of this registration does not constitute an opinion by the Organizers regarding the safety or legality of the Team's activities.

I am over 21 years of age.
